Terms and Conditions

Eligibility: The New Mexico Gas Company (“NMGC”) Efficient Buildings Program (“Program”) provides rebates for the purchase of new qualifying equipment and/or services (and is not dependent on the purchase of any other product or service unless indicated). Offer is valid for equipment and products purchased and installed between April 1, 2019 and March 31, 2020. Financial rebates are limited and are available on a first-come, first-served basis.

Verification: Applications are subject to verification, and incomplete information may delay or disqualify your rebate.

Disclaimer: NMGC does not guarantee that energy efficiency equipment purchased and installed through this Program will result in energy and cost savings. NMGC reserves the right to deny or limit any rebate request. In addition, no warranties on product or service installations are provided by NMGC, nor does the program warranty, guarantee or endorse the energy efficiency services provided by any contractor. All completed submissions become the property of NMGC and will not be returned.

Program Modifications: NMGC reserves the right to alter or discontinue this program or related rebates at any time without notice.

Supporting Documentation: All rebate forms must be completed in full and accompanied by an itemized equipment invoice or receipts including make and model.

Customer Information: NMGC reserves the right to disclose the customer's utility account numbers, Federal Tax ID and consumption data to its subcontractors for the sole purpose of administering the Program. Subcontractors are contractually bound to maintain this information in the strictest of confidence.

Indemnification: Signatory(ies) and applicant(s) shall indemnify NMGC, the Program Administrator, and the Program Implementer, their respective affiliates, subsidiaries, parent companies, officers, directors, agents and employees against any and all losses, damages, expenses, fees, costs and liability arising from any design, consulting, product, system, equipment or appliance, in connection with the Program.

Representation: Making false statements on any NMGC rebate application is punishable by law. Any and all funds determined, in NMGC's sole discretion, to have been acquired on the basis of fraudulent or misrepresented information must be returned to the Program. NMGC may refuse payment and participation if the signatory(ies), applicant(s), or customer(s) violate program rules or procedures.

Taxes: Rebates are taxable if greater than \$600 and will be reported to the IRS unless you are exempt. NMGC will report your rebate as income to you on IRS Form 1099 unless you have checked corporation or exempt status above. You are urged to consult your tax advisor concerning the taxability of rebates. NMGC is not responsible for any taxes that may be imposed on your business as a result of your receipt of this rebate.

Quality Control: To help ensure program quality, you may be selected for a telephone survey or on-site inspection to verify information you supply to us to receive your rebate. By applying for a rebate, you agree to participate in any surveys or interviews, if selected.

Funding: Rebates are funded by the New Mexico Gas Company business Gas Energy Efficiency charge on customer bills.
